www.troysteelinc.net

It was nice talking to you the other day about the Norco Plant in Corpus Christi.

As promised, I am sending you a link to our website. Sorry for the delay, but it was under construction last week to update a few photos.

Please keep us in mind, whenever your're in the need of shears or other equipment to remove tanks. We work all over Texas and specialize in this type of work.

Thank You,

Carole Kent
